

Selecting Your DirectLine[®] Meredian[®] II ORP Loop is Easy as

DirectLine[®] 422- with DL3000 Meredian II ORP Electrodes

Simply Follow The Color Code:

SENSOR MODULE AND OUTPUT CABLE

The measurement is ORP so the DirectLine Sensor Module is a **DL422**.

Sensor Module

Use MSG 51-52-16-71 to order by catalog number and pick **DL422** from the Key Number Table.

For stocking purposes, order part number **P/N 51500259-002**.

Output Cable

Every module needs an output cable. There are two lengths to pick from—**20 feet** or **50 feet**.

Use MSG 51-52-16-71 to order by catalog number “**B**” for 20 feet or “**C**” for 50 feet from Table I.

For stocking purposes, order part number **P/N 51500271-001** for 20 feet or **P/N 51500271-002** for 50 feet.

INTEGRAL MOUNTING

Integral mounting is available for types **7777** In-line mounting

Use MSG 51-52-16-71 to order by catalog number. Pick:

“**0**” from Table II and “**A**” from Table III and **any options** in Table IV.

REMOTE MOUNTING

Remote mounting is available for types **7777** (In-line and Immersion), **7774** (Insertion/Removal),

Remote Connector

Remote Mtg. Kit

Use MSG 51-52-16-71 to order by catalog number. Select from Table II:

“**3**” for a Meredian II **ORP Remote Connector** “**B**” from Table III to get the **Remote Mounting Kit** and **any options** in Table IV.

For stocking purposes, order part number **P/N 51500768-002** for the Meredian II ORP Remote Connector **P/N 51500526-001** for the Remote Mounting Kit.

INTEGRAL MERIDIAN II ORP MOUNTINGS

If you have selected a mounting installation for: **7777** (In-line), and you want to mount the DirectLine Sensor Module on your cell:

Use DL3000 MSG 51-52-16-77 to pick a Meredian II ORP Integra Mounting.

REMOTE MERIDIAN II ORP MOUNTINGS

If you have selected a mounting installation for: **7777** (In-line or Immersion), **7774** (Insertion/Removal),

and you want to mount the DirectLine Sensor Module remotely on the wall, a pipe or DIN rail

Use DL3000 MSG 51-52-16-77 to pick a **Meredian II ORP Remote Mounting**
